

This section of the rendering shows a workspace and a dining area. On the left, a dark wood desk is set against a light blue wall. On the desk, there is a computer monitor displaying a blue screen, a keyboard, a mouse, and a desk lamp. A wooden chair with a white seat is tucked under the desk. To the right of the desk, a floating shelf holds a small potted plant and two framed pictures. In the foreground, a wooden dining table with four matching chairs is set up. The floor is dark wood, and a small wooden mat is placed under the dining chairs.

This section of the rendering shows a kitchen area. A kitchen island with a dark wood countertop and a white base is the central feature. Three white pendant lights hang from the ceiling over the island. Behind the island, there is a kitchen with white cabinets, a stainless steel refrigerator, and a brick backsplash. A range hood is mounted above the stove area. The ceiling has recessed lighting.

This section of the rendering shows a small wooden cabinet with a white countertop. On the countertop, there is a small potted plant. The cabinet is made of dark wood and is positioned against a white wall. The floor is dark wood.
